## OUR HISTORY

Originally founded on October 21, 1937, towards the end of the Great Depression, Houston Police Credit Union was created by Houston police officers to establish a financial institution owned and operated by the local police force—a financial cooperative. Their mission was to provide reasonably-priced loans and a safe place for life savings for Houston Police Department employees and their families.

The credit union had 14 charter member-owners and in the beginning, was a meager operation. When a member-owner wanted to apply for a loan, an appointed officer would take the paperwork in his squad car to the member-owner and then return the forms to the credit union, which was originally a small office in HPD's Property Room. Alex Laux was the first approved loan. The loan limit was \$25.00.

In 1966, with over 2,150 member-owners and \$2.5 million in total assets, the credit union grew large enough to warrant moving out of HPD headquarters and into a separate building. Located at 1600 Memorial Drive, it is still in use as the main branch today.

Membership, assets, and product and service offerings have continued to increase over the years. With a board of directors comprised of HPD executives and officers, the credit union has continued to remain relevant to the lives of its member-owners, even adapting the drive-up at the main branch to accommodate various official vehicles including SWAT trucks and helicopters.

As our membership has grown, so has the credit union. As of 2023, the credit union serves HPD staff, employees, and their families in three locations. Membership has grown to 31,613 and assets have reached \$918 million. From serving academy recruits with equipment loans to IRA savings, our credit union has become a vital part of our member-owners' lives through every stage of their career.

He explained that with a strong Executive Team and dedicated staff, the membership still received excellent products and services and the credit union remains financially strong.

D. Storemski reported that during 2022, the credit union experienced an increase in loans whereas assets decreased. As the first Annual Meeting with large participation since 2020, he reviewed several changes to deposit and loan rates over the past two (2) years. D. He explained that that even through a tumultuous year, the credit union continues to provide low loan rates and competitively higher deposit rates.

C. Hassig, Supervisory Committee Chairman, verified a quorum was present.

## Report from the **BOARD CHAIRMAN**

**BOBBY CAMP**  
Chairman

It is my honor to serve as the Chairman of the Board of Directors for Houston Police Credit Union. As I assume this significant responsibility, I am acutely aware of the profound legacy left by our late Chairman, Dennis Storemski, who, sadly, passed away last year. Dennis served as our Chairman of the Board for over 40 years, and his visionary leadership, unwavering dedication, and remarkable contributions played a pivotal role in shaping Houston Police Credit Union into the esteemed institution it is today. In honoring Dennis's memory, the Board of Directors and I are committed to upholding the values and principles he championed. His legacy will serve as a guiding light as we navigate the future and continue to serve our members.

In 2023, HPCU remained financially strong, with a net worth ratio of 15.71%. The National Credit Union Administration (NCUA) considers a net worth of 7.00% or higher to be well-capitalized. This financial strength will allow us to continue serving our members with the highest quality service. In 2024, we look forward to improving some of our current products and providing new products and services to improve our ability to serve our members.

At the end of 2023, HPCU's membership totaled 31,613 members, and our assets totaled \$918 million. Collectively, our members saved over \$789 million with HPCU. We continue to strive to be the primary financial institution For Those Who Serve™ and those who support them.

As we embark on this new chapter, HPCU remains dedicated to delivering the highest quality products and services and maintaining the trust you have placed in us. Your satisfaction and loyalty are our top priorities, and we are committed to exceeding your expectations.

Respectfully submitted,

*Bobby C. Camp*  
Bobby Camp,  
Chairman

## Report from the **SUPERVISORY COMMITTEE**

**STEVEN JOLIVETTE**  
Chairman

The Supervisory Committee consists of volunteers who are appointed by the board of directors to serve with the purpose of ensuring our members that their investment in the credit union remains secure. We provided our members with an avenue to express their concerns and act as the oversight body for the credit union's internal and external audit functions. With guidance from the National Credit Union Administration (NCUA) and the independent services of an external auditing firm, the Supervisory Committee and credit union leadership team maintain mandated compliance with regulations and sound financial management policies.

Doeren Mayhew CPAs and Advisors have been retained by the Supervisory Committee to audit the credit union's financial statements. Doeren Mayhew CPAs and Advisors awarded HPCU an unqualified opinion that the prior year's records, audited in 2023, fairly represent the financial condition of the credit union. In 2023, the Supervisory Committee again engaged Doeren Mayhew CPAs and Advisors to conduct an audit of HPCU's financial statements for the year ending December 31, 2023.

The Supervisory Committee is pleased to report that HPCU is in good financial condition and in compliance with all state and federal regulatory directives. We would also like to thank our Board of Directors, management, employees and our members for allowing us to serve them and HPCU as we perform our duties.

Respectfully submitted,

## Report from the **BOARD TREASURER**

**RICHARD RETZ**  
Secretary-Treasurer

I am pleased to report that Houston Police Credit Union has achieved yet another year of robust financial stability and growth. At the end of 2023, HPCU's assets reached a commendable \$918 million. This increase of over \$24 million from 2022 shows our members' loyalty and trust in our credit union. Collectively, our members saved over \$789 million and borrowed \$479 million in 2023. We continue to take immense pride in ensuring that HPCU consistently offers better-than-average rates so our members can feel assured in their financial decisions.

Respectfully submitted,

## **Dennis Storemski**

### Chairman of our Board of Directors

With great sadness, we announce the passing of Dennis Storemski, our Chairman of the Board of Directors. Dennis passed away on April 14, 2023 at the age of 76. He is survived by his wife, Mrs. Barbara Storemski, his four children, his many grandchildren and a host of friends.

Dennis was a dedicated member and volunteer on our board for over 40 years, and he brought tremendous insight and expertise to our credit union. He retired from the City of Houston in 2018, where he served as the Director of the Office of Public Safety and Homeland Security. Prior to accepting the Director of the Office of Public Safety and Homeland Security position in 2005, he served 38 years with HPD and worked his way up the ranks to the position of Executive Assistant Chief (EAC).

Dennis served as the Chairman of our Board of Directors since 1979, graciously volunteering his time. Dennis was dedicated to our members and employees and led with incredible grace and dignity through many difficult, as well as promising times.

As we mourn the loss of Dennis, let us also remember his many contributions to our credit union and the Houston Police Department. He leaves behind a legacy of leadership and kindness, and he helped better the lives of many of our employees and members. We will miss him greatly and extend our deepest condolences to his family and loved ones.
